Installation and Banquet

Sonoma Lodge, I. O. O. F., gave a public installation and banquet to which the local Rebekahs and a few others were invited, last Saturday evening. Deputy Gibbons of Forestville, was the installing officer.

Those who will conduct the affairs of the lodge for the ensuing year are: Wm. Ralabo, Noble Grand; Wm. Dunn, V. G.; Jas. H. Albertson, Secy; Skelton Glaister, Treas; J. Wagon, R. S. N. G.; A. Entelmann, L. S. N. G.; Phillip Bill, R. S. V. G.; L. S. V. G.; J. B. Small, Warden; J. M. Cheney, Cond; C. E. Johnson, L. S. S.; Harry Dunn, R. S. S.; Henry Castagnasso, Outside and Inside Guard.

After the ceremonies, the members and guests adjourned to the dining room of the Union Hotel where a great feast awaited them. Mine Host and Mrs. Koenig had the tables attractively decorated and laden with specially prepared dishes every one of which tasted like more. Fifty-seven sat at the banquet board, many of whom remarked that it was the best they had ever enjoyed and that there was apparently enough for fifty-seven more. Happy and appropriate speeches were made and the whole event proved to be one of the most enjoyable events in the history of the local lodge.

TO AVOID PNEUMONIA
You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough, heals the lungs, and expels the cold from the system. Refuse any but the genuine in the yellow package. L. S. Simmons.

Lady Seymour Sold

W. C. Nolan has sold his fast trotting mare, Lady Seymour, to George Eastbrook of Denver, for \$550. The fleet animal will be given in charge of Chas. De Ryder, an expert trainer who takes her East in March and who expects great results from the well bred trotter.

Settled With The State

County Treasurer E. E. Murdock recently made his settlement with the state treasurer at Sacramento and deposited there the sum of \$26,995.96 in cash. The sum due the state was \$55,412.03, and there was due the county of Sonoma for schools \$28,416.07. The county treasurer left the difference between these figures at the state capital in settlement in full of the account due the state.

Every body loves our baby, rosy, sweet and warm
With kissy places on her neck and dimples on her arms,
Once she was so thin and cross used to cry with pain—
Mother gave her CASCASWEET, now she's well again. Sold by L. S. Simmons.

In Business Again

L. A. Costa, who has been living lately on the Ed. Goethe place above Agua Caliente, has decided to go to work at his trade again and has opened up a shop in Glen Ellen. Read his new ad in this issue.

TWO UNWELCOME VISITORS
At this season La Grippe and pneumonia cause more deaths than consumption. Foley's Honey and Tar cures la grippe, coughs that may result in pneumonia over night. Do not take chances with a cold when Foley's Honey and Tar will quickly cure it. L. S. Simmons.

Coyotes a Pest

The raiding of the chicken flocks in the Two Rock and Stony Point districts by coyotes is becoming so common that the residents are contemplating the organizing of a hunt. The animals have killed many fine fowls recently and the farmers there are determined that the slayer shall cease.

How to Avoid Appendicitis
Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels. Foley's Orino Laxative does not passate or gripe and is mild and pleasant to take. Refuse substitutes. L. S. Simmons.

Chapman Bros. have just received a consignment of absolutely pure strained honey which they are putting up in pint and quart jars. Try some, its fine.

SPECIAL SALE
Corsets at half price at Holz's. Now is the time to buy.

Mrs. A. D. Graham Ill

Roadmaster, A. D. Graham, of El Verano, went to San Francisco Saturday to visit his wife who is ill in St. Luke's Hospital there. A bright bouncing baby girl was born to Mr. and Mrs. Graham on Dec. 14 last and mother and child were progressing nicely when the former was taken down by what is feared to be an attack of appendicitis. At last accounts the lady was feeling much better.

Simple Remedy For La Grippe

La Grippe, coughs are dangerous as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package. Refuse substitutes.

Bicycle Given Away

Mr. Holz desires to announce that he will continue to give a ticket with every dollar purchase and will have a drawing early in the new year for the fine boy's bicycle on exhibition in his show window.

TAXES DUE

The second installment of city taxes are now due and payable and will be delinquent on and after the First Monday in February.

RECIPE MIXED OFTEN

Some remarkable stories are being told about town and among the country people coming in of this simple home made mixture curing rheumatism and kidney trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture, writes one authority in a leading Philadelphia newspaper, has a peculiar tonic effect upon the kidneys; cleansing the clogged-up pores of the eliminative tissues, forcing the kidneys to sift and strain from the blood the uric acid and other poisonous waste matter, overcoming rheumatism, bladder and urinary troubles in a short while.

A New York druggist who has had hundreds of calls for these ingredients since the first announcement in the papers last October stated that the people who once try it "swear by it," especially those who have urinary and kidney trouble and suffer with rheumatism. The druggists in this neighborhood say they can supply the ingredients, which are easily mixed at home. There is said to be no better blood-cleansing agent or system tonic known and certainly none more harmless or simple to use.

Notice of Dissolution of Partnership

Louis Peterson and Ernest O. Gates have this day dissolved partnership by mutual consent in the lumber business heretofore carried on by them at El Verano, Mr. Gates having sold his entire interest to Mr. Peterson, who will heretofore conduct and carry on said business.

Oldest Native Daughter Dead

Mrs. Marianne Torres, California's oldest native daughter, died Saturday night, Jan. 11, at her home in Alameda. She was born at the San Francisco Presidio in 1825, her grandfather being commander at the Presidio under the old Spanish regime. Her father was Captain Richardson, the first man to pilot a boat on San Francisco bay and for whom Richardson's bay is named.

She was related to all the old Spanish families, the Vallejos, the Castros, the Guerreros, Foraltas, Sanchez and others. She grew up on the Presidio, and as a young woman was a daring rider and crack shot. She was married in 1848 to Manuel Torres, then the owner of vast stretches of land bordering on this side of the bay.

Like many other early Spanish families, at one time possessed of almost unlimited wealth, the Torres family lost much of their possessions with the coming of the gringos and now but little remains of what was once almost an empire in itself. Mrs. Torres is survived by her husband and five children, Mrs. Ruth Beck, Mrs. Jennie Davis, A. J. A. L. and C. E. Torres.

Great Register Cancelled

The great register of Sonoma county, as well as the entire state, was cancelled by operation of law on January 1, 1908. It will be necessary for all voters to register again in order to be eligible to cast their ballots at coming elections, but this should not be done for a matter of say thirty days from the present time owing to complications that may arise.

The Board of Supervisors is intending to make some changes in the boundaries of the various precincts of the county, where the vote is in excess of two hundred electors. The principal changes will come in Santa Rosa, Petaluma, Healdsburg and Sebastopol, while in other places there may be changes also. When these changes are made voters can register and rest assured that everything is all right. If they should register before these changes in boundaries are made, and then with the change they would be in the wrong precinct, it would lead to complications that might deprive some of the right to cast their ballots.

This is merely a suggestion, because any one can insist on being registered at the present time and the county clerk has no alternative but to comply. Most people, however, will heed the suggestion and wait for a time in order to be sure that they are registered in the proper precinct after the supervisors have acted and thus be sure of saving themselves annoyance in future.—Republican

SONOMA CITY SUED

Through their attorney, T. J. Butts, eighteen saloon-keepers of this city have filed suit against the city for the return to them of \$500 license money paid and to have the new saloon ordinance declared invalid. The complaint in the matter recites many objections the principal one of which is that Trustee J. D. Wagon voted for the passage of said ordinance was not a legal resident of this city, that he had removed with his family to San Francisco some time previous and had thereby lost his right to remain on the board of trustees at the time the ordinance was passed by said board. Readers of the Expositor will remember that the ordinance in question was passed by a three to two vote, Trustee Wagon voting in the affirmative.

Many of the saloon men claim that the city had no right to collect more than three months license in advance, whereas six months was collected.

The trial promises to be an interesting one as it will be warmly contested.

Had Fine Supper

A number of the young gentlemen friends of S. H. Haven asked him one day last week if he had taken notice of the fact that he and his fair bride were not charivari'd upon their return to Sonoma from their honeymoon trip. Answering in the affirmative, the young men suggested that a chicken supper would taste pretty good. The suggestion was acted upon by the genial hardware merchant who "dug up" the wherewithal for a feast. The jolly boys ordered a spread at the Toscano Hotel last Saturday evening which was heartily enjoyed by the twenty-one guests present. Mine Host Ciucci as usual did his best on this occasion the menu being most attractive. Every dish tasted fine and there was a superabundance.

Needless to say that the generosity of the donor was heartily appreciated and many and eloquent were the toasts said to Mr. and Mrs. S. H. Haven.

J. Masciorini Injured

Last Friday afternoon, J. Masciorini, the popular dairyman of Sear's point, was badly injured by a falling horse. The animal had been sick and Mr. Masciorini was helping the horse to arise when it suddenly fell over upon his master causing a painful fracture of the anklebones. The unfortunate man was taken to Petaluma and a physician summoned.

Mr. Masciorini has many friends here who will regret to learn of his misfortune. At last accounts he was resting as easily as could be expected, although it will be some time before he will be able to be up and around again.

Former Sonoma Girl to Wed

The host of friends in Sonoma Valley of Miss Edna Thomas, daughter of Mr. and Mrs. R. B. Thomas, will learn with pleasurable surprise that she is to wed the man of her choice, Mr. Warren Rannels of Nipomo, San Luis Obispo county.

The bride to be was born and raised in Sonoma where she received her education. Mr. Rannels is a prominent and well-to-do young farmer of that section.

The marriage will be celebrated on Jan. 29th next, at 8 o'clock P. M. at the home of the bride's parents, near Nipomo. Heartily congratulations and best wishes are extended. Their many friends in this valley wish them abundant success and happiness in their new home.

Richard H. Platt Re-Elected

At a recent meeting of the California State Teachers' Association in Santa Cruz, Richard H. Platt, instructor of commercial branches in our local high school, read an excellent paper on, "Getting Results" before the Commercial Section of the Association. The ideas he advanced were very generally endorsed by the educators present and came in for much favorable comment. Mr. Platt was unanimously re-elected to the position of secretary of the Commercial High School Teachers' section of the association.

Jos. Ryan Makes Purchase

Jos. F. Ryan has bought the lot on First St., east just south and adjoining the Union Stables. He also purchased at the same time the winery building, otherwise known as O'Rourke's Pavilion, in the rear of Rambo's shop. In the near future, Mr. Ryan will move the building on his lot and use it for a hay barn.

Mrs. Richards Returns

Mrs. Theo. Richards, of Agua Caliente, returned to her home there last Saturday evening from a combined business and pleasure trip to the metropolis. Mrs. Richards was very successful in securing orders and introducing the famous Caliente Mineral Water into many of the leading cafes and hotels in San Francisco.

Deafness Cannot be Cured

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness, (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Wise Talks by the Office Boy Repeated

There are two things in this world for which folks are never prepared—twins. I knew two twin girls who looked so much alike that when their mother wanted to tell one of them anything, she had to tell them together—she couldn't tell them apart. I've heard fellows in the store say it was hard to tell our \$15 and \$20 suits apart. The difference is in the cloth. You take no chances in buying either kind. You know there's an awful lot of clothing that makes a fair show when you get it, but it ain't really no good. The sad days come when you find that it droops and falls, fades and rubs off and you do nothing but cuss the fellow that sold it to you. So what's the use of taking chances when you know that Raymond Bros will always give you a square deal? If the clothes go back on you, throw them back or us. We guarantee every suit and overcoat we sell, and try to have them so good that there'll never be a kick coming. We've made a big hit this season on our \$15.00 and \$20.00 suits and overcoats.

They are the best that anybody can sell for anything like the price. Our big discount continues.

THE SECRET OUT.

A Wide Open Statement.

To refute the many false and malicious attacks, bogus formulas and other untruthful statements published concerning Doctor Pierce's World-famed Family Medicines, the Doctor has decided to publish all the ingredients entering into his "Favorite Prescription" for weak women and his equally popular tonic alternative known as Dr. Pierce's Golden Medical Discovery. Hereafter every bottle of these medicines leaving the great Laboratory at Buffalo, N. Y., will bear upon it a full list of all the ingredients entering into the compound. Both are made entirely from native medicinal roots. The ingredients of the "Golden Medical Discovery" being a non-alcoholic extract of Golden Seal root, Queen's root, Black-cherry bark, Mandrake root, Blood-root and Stone root, preserved by chemically pure glycerine.

Dr. Pierce's Golden Medical Discovery, being made of native medicinal roots, is next to Nature and is the best tonic you can use. It fills the blood with rich, red blood corpuscles. It gives you a feeling of strength, and it puts sunshine into your system as no other remedy can. That is why Dr. Pierce's Golden Medical Discovery has been such a favorite for the past forty years. No man or woman can be either healthy or happy who has impurities in the blood, for it will show in pimples, boils, eruptions, in the dark circles under the eyes and in the sallow complexion. After taking "Golden Medical Discovery" you are bound to have pink cheeks and a fresh complexion. The muscles get the good, rich, red blood, that puts on strength. It is a flesh builder, but not a fat builder.

As an example of the good results thus obtained, note the following letter:

"In the year 1880, I had an attack of indigestion and got so bad that my home doctor said he could not do me any good," writes Mr. G. Treat, of Gordonville, Texas, who wrote to you and was advised me to use Dr. Pierce's Golden Medical Discovery, so bought six bottles and when I commenced using it I was so weak I could hardly walk about the house. By the time I had used one bottle my stomach and bowels com-

menced to heal. There were strips of the lining of my bowels as large as a man's two fingers passed and I had a great deal of misery in my stomach and bowels, and also in the rectum especially. I could not eat anything without having much distress after-ward, but by the time I had taken eight bottles of the "Golden Medical Discovery" I was sound and well, and could eat anything I pleased without suffering in the least. Could also do as much work in a day as I ever could. I have not suffered from the trouble since."

INGREDIENTS OF KNOWN COMPOSITION.
If suffering from an obstinate malady which would not naturally prefer to take a medicine of known composition, every ingredient of which has the endorsement of the most eminent medical practitioners and writers, or one which, for aught you may know, may be made up of very inefficient and even harmful agents? Is it not best to insist upon knowing what one is taking, as is every one's right, whether being prescribed for by the family physician or making use of a proprietary remedy? We think so, especially in view of the disparaging articles concerning various advertised remedies with which the drug and medical journals have been filled for months past. Doctor Pierce courts the severest criticism of the medical profession as to the value of his published formulae, confident that he will receive fair treatment from all fair-minded, well qualified brethren of the medical profession who cannot be blamed for not endorsing medicines of the composition of which they and the people are kept in ignorance.

These are the Original Little Remedies. These little remedies put up over 20 years ago, by Dr. D. C. Pierce. They've been much limited but never equalled. Smallest, easiest to take and best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and concentrated vegetable extracts. Without disturbance or trouble, constipation, indigestion, bilious attacks, sick and bilious headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. Permanently cured, too. By their mild and natural action, these little Pills gently lead the system into natural ways again. Their influence lasts.

SUPERIOR COURT NOTES

In Judge Denny's department of the Superior Court on Monday the calendar day proceedings were as follows:

The estates were set aside to the widows in the estates of Hans Hansen and Gustav A. Drees.

The petition for a partial distribution of the estate of Alice Maude Burleson was denied.

These matters were continued: Estate of William Catron, to January 20; J. O'Brien vs. Batchelor, to January 20.

In Judge Seawell's Department Albert H. Gozsch was arraigned on an information charging rape.

The demurrer was overruled in the suit of W. A. Smith vs. John Hansen et al.

The motion to tax costs in the suit of Lou Farmer vs. Daniel Behmer was continued to January 20.

The motion and demurrer in the suit of Albert Lichau vs. Archibald Lichau, was continued to January 20.

The suit of Cassassa vs. Whitten was reset for January 24 for trial.

Fined \$200 Each

P. Lucido and A. Lucido pleaded guilty to illegal fishing in Napa Slough, this county, and were fined \$200 each by Judge Seawell last Friday.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by L. S. Simmons.

Modesto shipped 600 boxes of naval oranges this season. Many orange trees will be planted during the coming season.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like KODOL For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by L. S. Simmons.

The Sonoma County Poultry Association marketed 500,000 dozen eggs last year.

Do you have backache, occasion-ally, or "stitches" in the side and sometimes do you feel all tired out without ambition and without energy? If so, your kidneys are out of order. Take DeWitt's Kidney and Bladder Pills. They promptly relieve backache, weak back, inflammation of the bladder and weak kidneys. Sold by L. S. Simmons.

The Department of Agriculture has forwarded from Washington a large number of rose cuttings to be distributed and planted at Santa Rosa.

Of Vital Importance

No other organs of the body are so essential to good health as the kidneys. Foley's Kidney Remedy makes the kidneys healthy so that they will strain out the impurities from the blood which is constantly passing through them. Commence taking Foley's Kidney Remedy at the first sign of danger.

Humboldt creameries paid for December butter from 27 to 37 cents per pound.

This is Worth Remembering
Whenever you have a cough or cold, just remember that Foley's Honey and Tar will cure it. Do not risk your health by taking any but the genuine. It is in a yellow package. L. S. Simmons.

Orange county has the largest section of land devoted to celery culture of any one section in the world.

When you want the best, get DeWitt's Carbolized Witch Hazel salve. It is good for little or big cuts, boils or bruises, and is especially recommended for piles. Sold by L. S. Simmons.

Don't Neglect Your Family

Don't Send Your Money to New York.

Insure in a good safe home company like the West Coast Life Insurance Co., of San Francisco.

DIRECTORS

Its directors are men of the highest business standing, and of acknowledged financial ability; men who have been and are prominent and successful in large commercial, financial and professional affairs.

CAPITAL

The company is possessed of ample capital and surplus—not one dollar of questionable assets; its stockholders represent many millions of personal wealth.

POLICY FORMS

The policy forms of the company are strictly up-to-date, and contain several important features not found in the Policy forms of any other Company. Among the new and desirable features contained therein may be mentioned provisions covering total disability, and temporary disability, resulting from accident or disease.

Specimens of Policy forms and premium rates will be furnished upon application.

PUBLICITY

The West Coast Life Insurance Company, believing that Policyholders should at all times have proper means of determining as to the conduct of the business and the financial standing of their Company, has printed in all Ordinary Policies the following provisions:

"This copy of application is printed for information of the Insured and Beneficiary so that every part of the contract may be in their hands. Remember, also that according to the By-Laws, a Policyholder may examine the Company's books of account and vouchers during all business hours. This is an offer accorded by no other Company as a just right, and its exercise is earnestly solicited in order that you may keep informed of the Company's financial strength."

No other Life Insurance Company offers this constant, or any like information, of its condition to Policyholders. It assures them of wise, careful, upright and economical administration. A Company not inspired with such motives would not offer publicity to its accounts and condition.

The West Coast Life Insurance Company challenges a comparison

of the terms and conditions of their Participating Policies with those of any policy issued by any other Company in the world. The integrity of its policy contracts is guaranteed not only by the assets of the Corporation but also by the personal liability of Stockholders and Directors. No mutual Company can or does issue a better policy or one which more successfully guards the interest of the policyholders.

For further information, address WEST COAST LIFE INSURANCE Co., San Francisco Cal.

Lodi has a grape vine which grows grapes rather larger than the ordinary Tokay, of a light flesh color, and of a very fine flavor. One crate from this vine sold in New York this year at \$5.37.

NOT SOON BUT NOW

Buy a lot in the Loustalet's subdivision to City of Sonoma, within a block of the plaza, on main business street. These lots are most convenient business and residence lots in Sonoma.

As a sure and safe investment there's nothing equal to gilt edge real estate—in a growing city.

As a profitable investment nothing equals real estate in Loustalet's subdivision, for these lots are gilt edge and Sonoma is a growing city.

Make a list of the rich men of the State and you'll find the bulk of their fortunes were made in real property—they bought when property was low and sold when it was high.

They were far-sighted—they were careful to buy in locations where trade would naturally go and thus force advance in prices—they bought where public improvements were about to be made, or where the demand for high-class residence property caused a rise in values.

The time to buy is now—to day—while prices are low—at the price made by the original seller.

Don't wait to buy from those who'll buy today—make that profit yourself.

Cash or installment—no interest—no taxes. Investigate now before the lots are all sold. Call or address, THE EXPOSITOR, Sonoma, Calif.

Forestry headquarters which have heretofore been maintained at Nevada City will remain where they have been notwithstanding strong effort has been made to secure removal.
